ISSUING OFFICER: <u>William Wrenn, Commissioner</u>	DIRECTOR'S INITIALS: _____ DATE : _____ APPENDIX ATTACHED: YES _____ NO _____
REFERENCE NO: See reference section on last page of PPD.	

I. PURPOSE:

To establish guidelines for developing and operating religious programs and diets for the Department of Corrections.

II. APPLICABILITY:

To all inmates, staff and especially to the Chaplain and volunteers who are involved in the management and/or operation of religious programming and diets.

III. DEFINITIONS:

As used in this document, the following definitions shall apply:

- A. Religious Activity: An activity conducted by or under the auspices of the Chaplain and designed specifically for worship, instruction, spiritual guidance or counseling.
- B. Religious Property: Religious property consists of items listed in attachment 3 that are approved as inmate property because of their membership in a recognized religion. Items may be added or deleted from the list after review and recommendation by the Religious Review Committee and approval of the Commissioner.
- C. Religious Review Committee: A committee made up of the institutions' Wardens or designee, Director of Security and Training, Director of Community Corrections or designee, Commissioner, and Chaplains that meet twice a year to consider and make recommendations to the Commissioner regarding additions and deletions from the authorized Religious Property List and the introduction of new religious components to the Department's religious services program.
- D. Recognized Faith Group: A religion, religious denomination, or sect supported by literature stating religious principles and recognized by a group of persons who share common ethical, moral or intellectual views which are not defamatory, racial, political or derisive in nature.
- E. Approved Religious Volunteer: Religious volunteer who has met all institutional application requirements and has obtained volunteer training.

IV. POLICY:

It is the policy of the NH Department of Corrections that:

- A. All inmates shall have access to religious resources, services, instruction or counseling on a voluntary basis. Inmates shall be informed of opportunities available in religious programming on a continuing basis.
 1. All inmates are afforded the right to practice individual worship consistent with the Department's abiding interest in preserving the safety, security and orderly operation of its institutions. Within the bounds of the PPD and guidance for appropriate inmate conduct set forth in PPD 5.25, no inmate shall be barred or impeded in their individual religious practice or worship.
 2. The institutions will provide all inmates with the opportunity to pursue **congregate** practice of any recognized **Faith Group**, subject to the restrictions of their custody level and to the availability of DOC staff or an approved volunteer qualified to lead observance of the rites or worship of that recognized belief or practice. The Department will conduct on-going, intensive and coordinated outreach to identify and recruit appropriate volunteers to meet the needs for congregate worship for recognized religious groups that do not currently have approved volunteers.
 3. Inmates may receive individual religious ministrations from individuals who are established as religious visitors and appear on the inmate's approved visitor list. Such visitors are not allowed to also serve as volunteers for congregate religious activities.
 4. As an adjunct service for Faith Groups without a volunteer, the Department, through the efforts of the Chaplains, will seek to identify and obtain free videos depicting appropriate religious activities, sermons or rites to be broadcast over the inmate cable TV network at scheduled times if such network is available. These videos are not to be seen as a replacement for individual or congregate worship, but rather as a supplementary resource for inmates desiring additional religious activity or who by means of their custody level or the lack of an appropriate volunteer did not have access to congregate worship. Each Faith Group will be limited to no more than two one-hour videos per week. All videos must be in English and approved by a process to be established by the Religious Review Committee. A foreign language video may be used if it has been screened by a DOC approved translator and meets all other criteria. If a Faith Group does not currently have an approved volunteer available for congregate services, a video may be approved on an interim basis by the institution's Chaplain until the next meeting of the Religious Review Committee in order to provide alternative access to some programming while a volunteer is sought.
 5. To obtain additional property or dietary privileges associated with a particular religion or to attend special events for a particular religion, an inmate must declare a preference for that religion, demonstrate a sincerely held religious belief, and obtain a Religious **Preference Card** (Attachment 8) from the Chaplain. Once an inmate receives a Religious **Preference Card** for a particular religion, the inmate must wait at least six months before switching to a different one. All inmates may attend any and all scheduled religious services (as found on each institution's chapel schedule), but no inmate may possess more than one Religious Preference Card at a time. Upon changing religions of record/ receiving a new Religious **Preference Card**, the Chaplain will notify the inmate's **Unit Supervisor** so that a property review may be accomplished. Inmates may not keep the property from more than one religion. NHDOC uses a universal Religious **Preference Card** that does not expire and is valid at all NHDOC facilities.
- B. The Administrator of Programs and the Institutional Chaplain shall monitor programming on a continuing basis to ensure adequacy of programs.

- C. The institution may provide facilities necessary for the operation of religious programming for inmates. The institution makes available civilian clerical staff to assist Chaplains in handling confidential material.
- D. The institution shall extend to all inmates the greatest amount of freedom and opportunity to pursue any recognized religious belief or practice. This shall be accomplished within the boundaries of security, safety, discipline and the orderly operation of the institution. Inmates requesting the introduction of a newly recognized Faith Group to the religious services program shall provide the Chaplain a comprehensive response to each of the questions on attachment 4 of this PPD. The Chaplain will bring the request to the Religious Review Committee at the next scheduled meeting for consideration and a recommendation to the Commissioner's Office.
- E. Requests for changes in the allowed religious personal or group property, or additions of new (to the institution) practices must be submitted in writing with a justification for consideration by the Religious Review Committee. The request will be reviewed and forwarded to the Commissioner's Office with recommendations. This process may take up to 180 days.
- F. Religious diets shall be available to those inmates who demonstrate religious dietary requirements in writing and sincerely held religious beliefs. The religious diet list will be updated as changes occur.
- G. The Department does not provide religious items or printed materials from any Faith Group to inmates. To the extent that Faith Groups donate religious items or printed materials, subject to any required approval process for the item or printed material, the items or printed materials will be made available for group use if appropriate, or provided to individual inmates on a first come basis.

V. PROCEDURES:

A. Reception Procedure

Inmates arriving at the prison will be given the opportunity to declare a religious preference during the intake process. During the reception process, inmates are issued an Inmate Manual, which contains information about the Chapel Program and religious opportunities available to them.

B. Pastoral Counseling

1. Chaplains shall interview inmates referred to them by institutional personnel. Personnel making such requests shall provide the Chaplain with sufficient information relative to the inmate so that the Chaplain may proceed with appropriate counseling.
2. Inmates may ask to see the Chaplain at any time. Chaplains shall respond to these requests from inmates as promptly as possible, consistent with the urgency of the request and Chaplain availability.
3. The Chaplain shall assist inmates as appropriate concerning death or serious illness in an inmate's family in accordance with PPD 7.05 (Family Crisis Visits/Funeral Attendance).

C. Chapel Activities

Whenever possible, Chapel activities shall be held in a Chapel or other suitable space. Chapel activities shall be performed in compliance with the following:

1. Attendance shall be voluntary;
2. All inmates in the general population are free to attend;
3. The Chaplain or approved religious volunteer shall:
 - a. Deliver a clear and understandable message to the inmates in English (while other languages may be spoken; the DOC is only obligated to provide the message in English);
 - b. Provide an appropriate learning or worship atmosphere;
 - c. Not provide, provoke, or invite criticism of any religious, racial, ethnic, or other groups; and
 - d. Not proselytize.

4. The Chaplain shall coordinate religious programs within the institutional activities schedule.
 5. The Chaplain shall plan services in coordination with other activities, to avoid scheduling conflicts, as security concerns allow.
- D. Baptism, Communion & Other Sacramental Rituals
1. Baptismal services may be conducted in the institution.
 2. Communion services may be conducted on a regular basis.
 3. Other sacramental rituals may be conducted as appropriate.
- E. Religious Education
- The Chaplain and Program Administrator shall develop, conduct and/or oversee a program of religious education. The Chaplain shall submit proposed programs to the Warden/Director for review and approval. The program may include the following activities:
1. Religious classes (lectures, instruction, discussions);
 2. Religious forums;
 3. Prayer therapy groups;
 4. Religious choirs, ensembles, singing groups;
 5. Self-study courses;
 6. Religious group counseling;
 7. Spiritual maturity groups;
 8. Instruction in doctrines, rituals and ideals of various religious faiths; and
 9. Religious functions or services by approved, outside groups.
- F. Needs Assessment
- The Chaplain shall monitor the changing religious needs of the inmate population. Assessments together with suggested changes shall be referred to the Warden/Director for consideration.
- G. Special Religious Needs
1. Inmates shall have access to religious publications of their faith. The Chaplain shall periodically review all religious literature entering the institution. Inmates may make arrangements with a Chaplain to obtain personal copies of certain approved religious books and periodicals. All books and publications so retained must be in compliance with the rules and regulations regarding personal property.
 2. The institution recognizes that certain religious faiths impose dietary restrictions upon their members; therefore, it shall be the policy of the institution to provide each inmate with the opportunity to satisfy minimum dietary requirements of their religious faith if these activities do not jeopardize the security of the institution.
 - a. Inmates will use the **Religious Diets** Application (attachment 2) when requesting a religious diet.
 - b. There are four diets provided by the Department: they include kosher; vegetarian; and vegetarian, no egg; and no pork. ("Vegetarian" means no meat/flesh).
 - c. When the Chaplain receives an application and verifies a request for a diet as being based upon a sincerely held religious belief, the diet will be ordered using attachment 1. For vegetarian; vegetarian, no egg; and no pork diets, the Chaplain will affix the appropriate diet sticker to the back of the inmate's ID card.
 - d. When there is a belief that an inmate receiving a religious diet has consumed or been in possession of food items that violate their approved religious diet, the information upon which the belief is based will be used to file a disciplinary report for the charge of 39B by the observing staff member. All guilty pleas or findings for this charge will be reported by the Hearings Office to the Chaplain who, in addition to other sanctions which may be imposed by the **Hearings Officer**, will require the following:
 - 1) First offense – required counseling with the Chaplain;
 - 2) Second offense – required counseling with the Chaplain;

- 3) Third or subsequent offense – required counseling with the Chaplain and re-evaluate the sincerity of the belief.
- 4) The Hearings Officer may not sanction an inmate by suspending or terminating the inmate's religious diet. The Chaplain will document in writing any counseling regarding religious diet violations.
- e. If there are four offenses within a 2-year period or less, approval for an inmate's religious diet may be withdrawn by the Warden at the recommendation of the Chaplain if the inmate is found as being in violation of the terms of the religious diet program to which the inmate has agreed in writing. Inmates will be notified in writing by the Warden, at the recommendation of the Chaplain, of proposed removal from the religious diet program. The inmate may, within fifteen days of the Warden's notice, request in writing that the diet not be removed, and stating specific reasons. The Warden will respond within five days, giving the decision. Any such decision may be appealed to the Commissioner. The filing of an appeal will not stay implementation of the Warden's decision. Removal is not punitive in nature, but provides an opportunity for the inmate and staff to re-evaluate the program's appropriateness to meet the inmate's demonstrated needs. The Chaplain will notify the kitchen of any diet removals approved by the Warden.
- f. All requests for special events that require services or specific food should be submitted in writing to the Chaplain at least 60 days prior to the requested observance.
- g. Religious diets will be prepared and provided to the Special Housing Unit and Secure Psychiatric Unit/Residential Treatment Unit according to the approved religious diet.
- h. When an inmate wishes to change to a religion that requires a specific diet they must consult with the Prison Chaplain and practice their newly acquired religion for a period of up to six months. After a successful trial period, the Chaplain will order the diet.
3. Religious apparel, such as head coverings and religious medallions may be worn in accordance with institutional security requirements and this policy. Items that have been authorized to be stored in the inmate's living area will be kept in an authorized clear plastic box with the lid on whenever the item is not specifically in use. The inmate's last name only will be written in 1" plain block letters on the bottom of the box. There will be no other writing or decoration on the box whatsoever. This includes religious symbols. Other personal items designated for storage in the group locker will be stored as directed by the Chaplain.
4. The use of wine for religious purposes will be limited to ceremonial or ritual functions where the Religious Volunteer or Chaplain shall be the only person permitted to actually consume the wine for the ceremony.
 - a. The Religious Volunteer shall be a duly authorized member of the clergy with rights and privileges granted by an ordaining authority.
 - b. The use of wine for religious purposes shall be restricted to use solely for those religious rituals and ceremonies that are historically documented to require wine as a part of the ritual or ceremony.
 - c. The wine shall not be stored at the institution, but shall be brought in immediately before the religious ritual or ceremony requiring the presence or consumption of the wine. No amount of wine is to be consumed by any inmate at any time.
 - d. Any amount of wine that is not consumed by the Religious Volunteer or Chaplain official shall be removed from the institution immediately after the religious ritual or ceremony.
 - e. The amount of wine brought into an institution at one time cannot exceed two ounces.

- f. The facility Chaplain shall be notified in advance by the official of their intent to bring wine into the institution for use in a religious ritual or ceremony.
- g. All items brought into or removed from the institution may be subject to search by the security personnel.

H. Change or Establishment of Religious Preference or Faith

In order to declare a religious preference, an inmate needs to contact the institutional Chaplain and request to be recognized for that preference. An inmate who has declared a preference is not required to attend that religion's services or study group and may attend the services and study groups of any other religion. An inmate may request to be removed from the preference list of a religion at any time. When an inmate is removed from the preference list, any property in their possession for that religion will be sent out of the institution. If an inmate expresses a desire to change religious preference or faith, the Chaplain should encourage that inmate to seriously consider all implications of such a change. The inmate must initiate the conversion of record in a written statement to the Chaplain (attachment 5) citing current religious designation and that affiliation under which they would like to be recorded. The Chaplain shall not attempt to influence an inmate to change religious preference or faith. Inmates are not permitted to actively recruit other inmates. As stated in Section IV A, no inmate may possess more than one Religious Preference Card, nor may inmates switch cards more often than once every six months.

I. Specific Denominational, Church or Sectarian Activities

The Chaplain shall schedule celebration of the sacramental rituals necessary to meet minimal requirements of a given religious faith, providing there is an Approved Religious Volunteer to lead such rituals or if the Chaplain is qualified to lead rituals of that particular faith. Such arrangements may require special times or environments. When an inmate's religion requires abstinence from work or special dietary requirements on holy days and seasons, efforts shall be made to arrange work assignments and schedules to accommodate that belief. The Chaplain shall make written recommendations for work proscriptions for approval on a case-by-case basis. This will ensure that inmates have the opportunity to participate in practices of their religious faith that are deemed essential by the faiths' judicatory, limited only by documentation showing threat to the safety of persons involved in such activity or that the activity itself disrupts order in the institution.

J. Unauthorized Practices

The following religious practices and activities are never authorized:

1. Animal sacrifice;
2. Language or behaviors that could reasonably be construed as a threat to safety, security or the orderly running of the institution, (e.g., curses, nudity);
3. Self-mutilation;
4. Use, display or possession of weapons or what appears to be a weapon (e.g., paper sword);
5. Paramilitary exercises;
6. Self-defense training;
7. Sexual acts;
8. Profanity;
9. Consumption of alcohol by inmates;
10. Ingestion of illegal substances;
11. Encryption;
12. Disparagement of other religions.; or
13. Inmate-led groups. (See PPD 5.36.)

K. Sweat Lodge Ceremonies

1. Sweat Lodge Ceremonies are Native American religious ceremonies held for ritual purification of the participants. The DOC has allowed the construction of a Sweat Lodge at NHSP/M in Concord and the Northern NH Correctional Facility in Berlin.

2. Logistics

- a. The Lodge shall be constructed, under the guidance of an approved Native American Volunteer and supervised by DOC staff, in an area approximately 20 x 40 feet, within a segregated area surrounded by a ten foot tall fence with a locking gate. DOC will provide the fence.
- b. The institution will permit inmates to obtain, by donation, the materials necessary for the construction, operation and maintenance of a Sweat Lodge within the institutional grounds, as approved by the Warden. The Chaplain will use reasonable efforts to secure the outside volunteers and supplies necessary.
- c. Once erected, the Sweat Lodge framework will remain up and in place. The only other items authorized to be left in the area are a cow or buffalo skull (or reproduction) and a limited number of stones from previous Sweat Lodge Ceremonies that are added to the fire pit wall.
- d. The applicable facility will secure a fire permit for the ceremony.
- e. Sweat Lodge Ceremonies will be scheduled on a quarterly basis in conjunction with the scheduled Native American feasts (both equinoxes and both solstices), and will be held on a day convenient to security during first shift. The feast will be held at the conclusion of the Sweat Lodge Ceremony.
- f. The chronological timeline for each Ceremony day will be reflected on an Operations Bulletin produced by the applicable facility for the event. A basic timeline may be found on *Sweat Lodge Ceremony Chronological Checklist* (attachment 7 to this PPD).

3. Implements will be provided by outside volunteers unless otherwise noted:

- a. Sapling trees, preferably willow or cedar;
- b. Stones for heating. Approximately 50 stones (about 9-inch diameter) are necessary for each ceremony, preferably lava rocks;
- c. Firewood, enough for a four-hour fire. Wood must be delivered to the facility no later than 14 days prior to the Ceremony day. Volunteer C-2 inmates may be solicited to help cut and split the firewood.
- d. Shovel and rake to move hot stones from fire pit to Lodge (provided by DOC)
- e. Deer antlers for use inside the Lodge to move hot stones
- f. Sage, sweet grass, cedar, copal, osha root, tobacco and kinnick-kinnick; all for ceremonial use.
- g. Smudge bowl, communal Native pipe and drum from Native group property locker.
- h. Non-metal bucket of water with ladle or plastic cup for pouring over hot stones in the Lodge (provided by DOC).
- i. Water hose at the ready for fire suppressant, should it become necessary.
- j. Canvas tarps and/or blankets to cover Lodge framework during Ceremony only.
- k. Four directional flags may be displayed on poles stuck in the ground
- l. Inmates may bring personal towels and personal drinking cup. DOC will provide drinking water for the Lodge area.
- m. An altar area may be set up within the Lodge area and may permanently display a hock skull (buffalo or cow, may be reproduced).

4. Participants

- a. Qualified C-4, C-3 and C-2 inmates will be allowed to participate in Sweat Lodge Ceremonies. All must be DOC Native American card-holders.
- b. Inmates must sign up for each Ceremony no later than two weeks prior to the ceremony date. Late sign-ups will not be accepted.
- c. Only those who have attended at least three-fourths of the weekly Native American Circle times during the quarter (a minimum of nine circles/quarters) will be allowed to attend the Lodge Ceremony. All other card-holders may join

the Ceremony participants for the feast after the Ceremony. This standard may be relaxed for excused absences on a case-by-case basis via request slip to the Chaplain. Typically, an *unexcused* absence is anytime one *could* have attended but *chose not to*.

- d. Attendance at NCF will be tracked via the Program Wing Officer's Movement Sheets.
 - e. No Sweat Lodge Ceremonies shall be conducted without the presence of an approved outside volunteer of the same sex as the inmate participants and each Ceremony shall be conducted according to the traditions of the outside volunteer running the Ceremony. The volunteer will have the final say as to who may not be allowed to participate.
 - f. All participants must sign a medical release and memorandum of understanding prior to participating.
 - g. Inmate participants will be excused from work or program requirements.
5. Procedures
- a. Participants will need to have access to rest room facilities.
 - b. Inmate participants may bring two personal towels and a personal drinking cup with them to the Lodge site. Participants must wear gym shorts at a minimum at all times.
 - c. Inmate participants are subject to search prior to entering the Lodge area and strip search prior to return to inmate general population. DOC will not interrupt Ceremonies for searches unless specifically approved by the Shift Commander and a compelling need exists.
 - d. DOC reserves the right to postpone any Sweat Lodge Ceremony to another day based upon weather/wind direction/security issues/fire safety standards.
 - e. Inmates who have declared themselves Native American will ensure easy access is available to and in the Lodge area through the winter by keeping the snow shoveled. At a minimum, there must be a four-foot wide path from the facility building entrance to the Lodge fence, a two-foot wide path around the Lodge fence and all snow cleared within the Lodge fence.
 - f. As with all parts of DOC facilities, the ground used for the Lodge will not be recognized as "sacred ground", but it is respected ground to be used for Sweat Lodge Ceremonies only. As such, the entire area and all participants are subject to search at any time, even inside the Lodge during a Ceremony, should security concerns indicate a compelling need to do so.
 - g. If there are more eligible inmate participants signed up than can be safely accommodated in a single Ceremony, DOC staff and the volunteer will decide whether to hold an additional Ceremony on another day, or to hold two abbreviated Ceremonies on the scheduled day.
 - h. The Lodge area shall be kept clean at all times. Tarps, blankets and other DOC implements will be stored at the facility between Ceremonies. Participants shall be responsible for maintaining the site and providing any authorized Ceremonial supplies.

Because of the review at these levels, the process may require up to 180 days for completion. The committee recommendation will be forwarded to the Commissioner's Office for consideration.
